

### **a political and economic pdf**

Political economy most commonly refers to interdisciplinary studies drawing upon economics, sociology and political science in explaining how political institutions, the political environment, and the economic system—capitalist, socialist, communist, or mixed—influence each other. The Journal of Economic Literature classification codes associate political economy with three sub-areas: (1 ...

Political corruption is the use of powers by government officials or their network contacts for illegitimate private gain. An illegal act by an officeholder constitutes political corruption only if the act is directly related to their official duties, is done under color of law or involves trading in influence.. Forms of corruption vary, but include bribery, extortion, cronyism, nepotism ...
