The aim of this document is to provide a simplified and comprehensive view of risk management/risk assessment for use within small and medium sized enterprises (SMEs). To achieve this goal, the present document has been structured in a modular way. ... A simplified approach to Risk Management for SMEs Download PDF document, 741 KB ...

A simplified approach to Risk Management for SMEs â€” ENISA

Haemoptysis is a common presentation in the primary, secondary and tertiary care setting. Hence, it is essential for primary care physicians to be well-versed in the evaluation and management of patients with haemoptysis. This article aimed to discuss the more common differential diagnosis, indications for referral to the emergency department or specialty clinics, and a general management plan for patients with non-massive haemoptysis.
