Nacirema ("American" spelled backwards) is a term used in anthropology and sociology in relation to aspects of the behavior and society of citizens of the United States of America. The neologism attempts to create a deliberate sense of self-distancing in order that American anthropologists might look at their own culture more objectively.

The Atlanta University Publications (AUPs), edited mostly by W.E.B. Du Bois, are highly significant because they represent systematic, social-scientific inquiries into the condition and lives of African Americans a century ago. They are also known as "The Atlanta University Studies." The description posted with each publication below was copied from the information presented on the title page ...

Criteria for Removal: Papers will only be removed if it is determined by the editor that they have not properly met the criteria for inclusion or have been retracted by the journal. Just like other popular scientific bibliographic resources (e.g. Scopus, Web of Science), no paper will be removed because of the existence of a criticism or published correction.
