May formed the band Smile in 1968. The group included Tim Staffell as the lead singer and bassist, and later, drummer Roger Taylor, who also went on to play for Queen. The band lasted for only two years, from 1968 to 1970, as Staffell departed in 1970, leaving the band with a catalogue of nine songs.

In physics, the center of mass of a distribution of mass in space is the unique point where the weighted relative position of the distributed mass sums to zero, or the point where if a force is applied it moves in the direction of the force without rotating. The distribution of mass is balanced around the center of mass and the average of the weighted position coordinates of the distributed ...
