"The Professor," by Robert Bailey - Southern Literary Review

The Professor is the debut novel of Robert Bailey. This is a name to remember! I am a huge fan of legal thrillers and this is an easy and interesting read. A young family have been killed when a truck did not stop. It raises the question of how well the trucking industry is policed. But it also looks at the ethics of lawyers and people in general.

The Professor by Robert Bailey

Law professor Thomas Jackson McMurtrie literally wrote the book on evidence in the state of Alabama. But when a power-hungry colleague uses a recent run-in between McMurtrie and headstrong student Rick Drake to end his career, he is left unsure what to do next.
