

banking and finance accounts pdf

The concept of banking may have begun in ancient Assyria and Babylonia, with merchants offering loans of grain as collateral within a barter system. Lenders in ancient Greece and during the Roman Empire added two important innovations: they accepted deposits and changed money. Archaeology from this period in ancient China and India also shows evidence of money lending.

Banking in Switzerland began in the early 18th century through Switzerland's merchant trade and has, over the centuries, grown into a complex, regulated, and international industry. Along with the Swiss Alps, Swiss chocolate, watchmaking and mountaineering, banking is seen as emblematic of Switzerland. Switzerland has a long, kindred history of banking secrecy and client confidentiality ...
