The history of bras is inextricably intertwined with the social history of the status of women, including the evolution of fashion and changing views of the female body.. Women have used a variety of garments and devices to cover, restrain, reveal, or modify the appearance of breasts. Bra- or bikini-like garments are depicted in some female athletes of the Minoan civilization in the 14th ...

Over the past two years, state legislators across the country have launched an unprecedented series of initiatives aimed at lowering labor standards, weakening unions, and eroding workplace protections for both union and non-union workers. This policy agenda undercuts the ability of low- and middle-wage workers, both union and non-union, to earn a decent wage.
