04 October 2018. Under the new law on regulation of health practitioners, promulgated by the Cambodian Ministry of Health in December 2016, which aims to protect the health and safety of members of the public, by providing mechanisms to ensure that all health practitioners are qualified, competent and fit to safely practice their profession.

GIZ Cambodia

International development or global development is a wide concept concerning level of development on an international scale. It is the basis for international classifications such as developed country, developing country and least developed country. There are however many schools of thought and conventions regarding, which are the exact features constituting development of a country.

Microfinance initially had a limited definition - the provision of microloans to poor entrepreneurs and small businesses lacking access to bank and related services. The two main mechanisms for the delivery of financial services to such clients were: (1) relationship-based banking for individual entrepreneurs and small businesses; and (2) group-based models, where several entrepreneurs come ...
