Settlement. Culturally diverse areas or "ethnic enclaves" are another way in which multiculturalism has manifested. Newcomers have tended to settle in the major urban areas. These urban enclaves have served as a home away from home for immigrants to Canada, while providing a unique experience of different cultures for those of long Canadian descent.

Apologies for the tabloidy title. This is an otherwise serious post.. It is well known that higher rates of cousin marriages especially the father's brother's daughter (FBD) type that is common in the Arab Muslim world tends to increase clannishness and depress IQs. It is often discussed in HBD circles.
