

black looks race and pdf

Categorization of racial groups by reference to skin color is common in classical antiquity. It is found in e.g. Physiognomica, a Greek treatise dated to c. 300 BC. The transmission of the "color terminology" for race from antiquity to early anthropology in 17th century Europe took place via rabbinical literature. Specifically, Pirke De-Rabbi Eliezer (a medieval rabbinical text dated roughly to ...

The relationship between race and crime in the United States has been a topic of public controversy and scholarly debate for more than a century. The crime rate varies between racial groups. While most homicides in the United States are intraracial—the perpetrator and victim are of the same race—the rates at which African Americans (blacks) are reported to both commit and are the victim of ...
