The British Army during the Victorian era served through a period of great technological and social change. Queen Victoria ascended the throne in 1837, and died in 1901. Her long reign was marked by the steady expansion and consolidation of the British Empire, and industrialisation and the enactment of liberal reforms (by both Liberal and Conservative governments) within Britain.

Between 1788 and 1868, about 162,000 convicts were transported by the British government to various penal colonies in Australia.. The British government began transporting convicts overseas to American colonies in the early 18th century. When transportation ended with the start of the American Revolution, an alternative site was needed to relieve further overcrowding of British prisons and hulks.
